and the Rotary Clubs of Point West and Arden Arcade**

The Petersen Cup is an event to honor the memory of Sam Petersen and his involvement in his two favorite charities; Rotary International and The Children’s Receiving Home of Sacramento. Sam was past president of Arden Arcade Rotary and owner of Sacramento Brewing Company. Both supported the good work of CRHS. Sam was not an avid golfer but if he was going to get on the course he believed in making it fun. That’s why The Petersen Cup is unique. Participants can raise money for a good cause while enjoying the activities that will be going on through out the event. It’s not just about the golf but having a good time for a good cause as well.
